Friday Night

Friday night saw us meeting at our scout hut soon after the questions were released to work on the interpretive dance to Huey Lewis and the News hit “The Power of Love” for question 22.

Friday night also saw us making Bunting out of our neckerchiefs ready for question 23, as well as creating “The cow jumping over the moon” out of kitchen utensils for question 21.

The rest of Friday night was spent going through questions, answering what we could and figuring out what needed to be done on Saturday.
